Our Vision

Our vision is a world where individuals are walking out their true **IDENTITY** as they move from *dependency* to **DIGNITY** so that they can build futures and **FAMILIES** that are experiencing *true transformation*.

Our Mission

We consistently **IMPACT** individuals to **RESTORE** the whole person through authentic connection & **DISCIPLESHIP**.

Our focus is moving from short-term handouts to lasting transformation.

What We Do

Poverty isn't just the lack of material things. It's living outside of God's shalom: His wholeness & completeness in all areas of our lives. We are all susceptible to this poverty because all humans share the same 4 relationships: God, Self, Others & Creation, and when any of those are broken, we call that **POVERTY**.

Impact

Restore

Disciple

In Costa Rica, the general demographic of our participants comes from the fringes of society: the dropout, the unemployed, the single mother, the person searching for his/her place in the world, the challenging types that most avoid, etc. The ones living with broken relationships and in "poverty".

Til He Returns recognizes that sometimes people just need a "hand up" vs. a "hand out" to find lasting transformation, and we are doing something about it.
